

**REGION THREE COMPLIANCE DIVISION**

**Electrical Inspection Section**

1605 E. Front St., Suite C

Port Angeles, WA 98362-4628

**Date: May 1, 2001**

**Subject: Uncompleted Electrical Safety Corrections**

**Reference: Electrical Work Permit #**

Our records of the referenced work permit indicate that the electrical installation specified on the attached correction report was cited for electrical safety violations on .

We have not received a request for an extension of time, nor a request to re-inspect the installation to verify that the corrections listed on the correction report have been made.

The state law, Chapter 19.28 RCW, requires that all National Electrical Code and Washington Administrative Code corrections must be completed within fifteen (15) days of the initial inspection, unless an extension of time has been granted.

Please contact this office **within five (5) days of receipt of this letter** to arrange for re-inspection. Failure to respond may result in additional fees being imposed and/or possible disruption of the electrical power. WAC 296-46-910(5)(j), RCW 19.28.210(3).
